3

TITLE: Investigator case files

DATES: 1980-

ARRANGEMENT: Alphabetical by case name

ANNUAL ACCUMULATION: 20.00 cubic feet.

DESCRIPTION:

These are criminal investigation files maintained by the investigator at the bureau. They include medical provider records such as hospital records and nursing home records (these types of records are microfilmed). These records actually belong to the providers and are microfilmed and that film becomes part of the file and is used by this agency in their investigations.

Investigations can be ongoing so it is necessary that these records are microfilmed rather than maintained. Also include medicaid billing records, interviewing logs (employees, patients, and others that might be involved), and all other investigative information.

RETENTION:

Retain 7 years after case is closed.
